3. (Confidential - GLC) I queried Bill Jordan, Senator Proxmire's Senate Appropriations Committee, Foreign Operations Subcommittee staff, as to whether Alfred McCoy had provided the Subcommittee with material which would back up the various allegations he had made in his testimony on 2 June to the effect that US officials were condoning or encouraging illicit drug traffic in Southeast Asia. Jordan directed me to Mr. Neilson McGowan, of the Appropriations Committee staff, who made the unclassified transcript with several supplements provided by McCoy available to me. See Memorandum for the Record.

4. (Unclassified - GLC) Talked with Charles Kendrick, Administrative Assistant to Senator Peter Dominick (R., Colo.), and thanked him for his efforts in the job that the Senator and members of the staff had done on the amendment (No. 1257) to modify section 515 of the Foreign Assistance Authorization bill (S. 3390).

25X1A 5. (Confidential - GLC) Following up on his inquiry on behalf of [REDACTED] who has filed an application for employment with the Agency, I advised Mr. Vince Rakestraw, Legislative Assistant to Senator William B. Saxbe (R., Ohio), that [REDACTED] had in fact been interviewed by one of our people in [REDACTED], that he had made a very favorable impression, and that his file was being actively considered in connection with the Career Training Program. I told him we would keep him advised of action taken on [REDACTED] application. 25X1A

6. (Secret - GLC) Talked with Bill Woodruff, Counsel, Senate Appropriations Committee, and asked him if he had had an opportunity to review our proposed report to the Government Operations Committee on S. 3529. Woodruff said he had not and asked that we check back with him tomorrow.

I briefed Woodruff on the following current intelligence items: the successful Soyuz launch, Soviet advance testing of a maneuverable missile, and the recent French nuclear test.
